

Welcome to Stripes. A unique grill restaurant concept where Guests are empowered to create their own dish by selecting their favourite meat or fish, combining it with their desired seasoning, sauce, and side dish as it pleases. We grill all selections to perfection in an energizing environment inspired by the Dutch culture and sceneries, using a world-class Jospier grill guaranteeing a unique and delicious flavour each time. Our name and logo are inspired by the grill pattern which occur when the meat hits the grill. It also stands for the stripes left behind by a plane in the sky, our small link to the place where our restaurant is located, Amsterdam Airport Schiphol.
